Thanks, Tom. Hannah and I discussed a couple of other options as well. I'll have Hannah get with Rachel early next week so we can get something nailed down. I'll also send you my comments on the agenda later this weekend.

Mark, here's an option for planning retreat. I would prefer to get away from govt space. Have a great weekend.

Tom – See below for info on renting out a space at Loews for the upcoming retreats. It is available for November 20th for the Haslam retreat – just let me know if you want to book it.

If we wait until December 4-6 for the DCS retreat, we can probably have it in our new space. The only issue will be whether or not the large conference room table will already be delivered.

Thanks,
Rachel

He and I talked over the weekend and to his credit he followed up first thing Monday morning. He's a good guy. Let's let Janet and Hannah figure out a time to get together. Thanks.

Let me know what works for you, or we can let Janet and Hannah figure out a time.

Also needs to discuss superpac.

Thanks very much for facilitating conversation w John dreyzehner. Another very impressive commissioner.
